

2009-2010
UPPER ARLINGTON VOCAL MUSIC BOOSTERS

Greetings Vocal Musicians and Family Members,

We are seeking your support for the 2009-2010 ENCORE! Program.

How can you help us? Do you have a member of your family, a relative, neighbor or friend who works for or owns a local business? If so, that company or individual could benefit from advertising in the ENCORE! You can do your part to help by sharing the attached information and order form with ANYONE you think might be interested in being an Upper Arlington High School Vocal Music Department Sponsor.

If you are not already familiar with the ENCORE!, it is the publication that provides information about the choral program, a performance schedule, profiles of the senior class, and recognition of all benefactors and program supporters. This publication is produced by the UA Vocal Music Boosters and distributed at each performance.

Over the past 7 years, the Vocal Music Boosters have raised money to buy new choir robes, refurbished the Knabe piano, purchased risers and auditorium sound equipment, and assisted in the financing of the Symphonic Choir's East Coast Spring Tour. This year, our goal is to raise funds to purchase additional lighting equipment to compliment the productions of the Fall Follies, the Musical, and other Choir Concert Events. We are counting on your help to achieve this goal. You can get advertising information and an order form for advertising in ENCORE! from the Vocal Music Booster web site: www.uavocalmusic.org. This material may be reproduced and shared with potential advertisers.

Questions? Contact Alicia Overmyer at 457-5004 or aovermyer@columbus.rr.com

Thank you for your support.
