

A Note to All Who Auditioned for Anything Goes:

My sincerest thanks to all who auditioned for this show. I speak on behalf on Mr. Monseur and Mrs. Leacock when I say we were extremely impressed with your talent, preparedness, and overall enthusiasm and attitude throughout the audition process. We were thrilled to get such a wonderful turnout and were very hard pressed to make the decisions needed to cast, what is traditionally, a smaller show. Casting the show is like putting together a big jigsaw puzzle and we've done our best to put together a cast that will best fit the needs of the show. We hope to see each and every one of you at future auditions. You certainly all brought a uniqueness and specialness that only you possess and if not in this show, will shine in another production. If you have not been cast, a great way to be involved is to join the tech crew. If interested, please come to the first tech meeting after school in the theatre on the revised date of Wednesday, Dec. 13th from 3:30-5:30. If you are unable to attend this meeting but are interested in being on the crew please see the flyer posted near the music room and contact Anthony Aleshire Stype.

For those cast, our first meeting and rehearsal is Monday, December 4th from 3:30-5:00 in room 181.

Best,
Jackie Comisar
